

Articulating Conference Table

A E R O F R A M E

Articulating Conference Table

Articulating Conference Tables (Patented) can be used in either an open or closed configuration. Overall dimensions and number of seats are customized to meet the client's needs. This table has 22 seats in a closed configuration and 21 seats in an open configuration.

Cable management and pop-ups are provided for complete audio-visual integration.

Table finishes include these standard veneers: Maple, Cherry, Mahogany, Oak, Walnut, and Anigre. All other wood species are available as a special order.

For additional information, please contact Dan Wilcox, 800-369-3455 (voice), 703-369-2514 (fax) or danwilcox@wilcoxwoodworks.com (email).
